Tunisian Financial Analysis Committee

ANNIVERSARY

20 Years

20 سنة في مكافحة غسل الأموال وتمويل الإرهاب
2023 - 2003

The Tunisian Financial Analysis Committee is pleased to celebrate its twentieth anniversary with concerned national authorities and the public. National, regional and international events will be organized on this occasion in support of the national system for combating money laundering, financing terrorism and proliferation, with the participation of the concerned local, regional and international bodies.

20 years of combating money laundering and terrorist financing
